Things to Know Before Sailing

WHAT KIND OF CLOTHING SHOULD I BRING?

Casual attire and resort wear is the order of the day, both on board and ashore. Shorts, slacks, sundresses, blouses, etc., are fine for women. Clothing for men is just as casual. You should bring a pair of rubber-soled sandals or sneakers to wear on deck and a pair of good walking shoes. You might also want to consider bringing along a sweater or jacket for cool evenings and inexpensive rain gear in case of a sudden shower. You'll have a chance to dress up two nights on 7-day or longer cruises (one night on 5-day or shorter cruises) for the Captain's Cocktail Party and the Gala Farewell Dinner. We suggest formal attire: cocktail dress for women; a dark suit or tuxedo for men. On the other evenings you can dress casually for dinner; that includes sport shirts for men and slacks for women. **Shorts and T-shirts are not permitted in the dining room area during dinner.**

WHAT ABOUT MONEY?

U.S. currency and traveler's checks are accepted at most ports of call. While you will find traveler's checks to be safe and convenient, it's also advisable to bring a reasonable amount of U.S. currency for use on board and in port. For your convenience, we have an ATM aboard our ships. However, please note that the supply of money may be depleted prior to the end of your cruise.

One personal check up to $250 can be cashed on board when accompanied by your American Express card. (Please note that name on check and card must be the same.) Visa, MasterCard and American Express charge cards are accepted at the larger shops in port.

Sail & Sign® is Carnival's onboard credit program which allows you to charge your onboard purchases and gratuities directly to your personal account. Registration with your American Express, Visa, MasterCard or Discover card takes place at embarkation or on board the ship at the Information Desk.

An application and other information can be found in your document package. Visa, MasterCard and Discover cards are accepted for payment for wire transfer of funds.

GUESTS WITH SPECIAL NEEDS

Carnival seeks, to the extent feasible, to accommodate guests with special needs so they are able to enjoy the ship and other facilities. For example, service animals are permitted on board ships if prior arrangements have been made at time of booking. In situations where a guest with special needs, such as those in wheelchairs, would be unable to be comfortably accommodated due to vessel safety, barriers, and other criteria, we may find it necessary to ask the guest to bring along a companion to assist or make alternative arrangements. For motorcoach guests, if you would be unable to satisfy certain specified and other criteria, even when provided with appropriate auxiliary aids and services, we will ask you to make alternative travel arrangements. Please be advised that guests who will enter their third trimester of pregnancy by the time of the voyage will not be permitted to sail. It is essential that we be notified of any special medical, physical, or other requirements of guests at the time of booking. Please contact our Special Needs Desk (1-800-438-6744, ext. 70025 or TTY 800-972-4386) to discuss the details of your specific needs.

SMOKE-FREE PARADISE℠

Aboard the "Fun Ship" PARADISE, we take our non-smoking policy very seriously. In fact, smoking, as well as possession of any smoking materials anywhere on board **(including your guest stateroom)**, is strictly prohibited. Possession of smoking materials on board will result in a $250 liquidated damage charge being applied to your shipboard account and your being disembarked at the nearest port of call at your expense. Any smoking materials you purchase ashore during your cruise must be turned over to gangway security upon re-embarking the vessel. They will be held and returned to you once you debark the vessel.

FLY AWEIGH® GUESTS

Fly Aweigh guests must reconfirm round-trip flight numbers and times 48 hours prior to departure directly with your assigned carrier. Guests are responsible for claiming their luggage at the airport and ensuring luggage is on the same transport carrier.

Baggage Advice: Please complete the information on your Carnival Cruise Lines baggage tags and attach them to your luggage PRIOR to leaving home.

CARNIVAL'S CRUISE VACATION PROTECTION PLAN℠

We highly recommend that all guests purchase our Vacation Protection Plan covering trip cancellation, baggage and contents, and accidents. Depending on the policy, you will be protected to the extent you choose to be covered.

Carnival's Cruise Vacation Protection Plan℠ makes comprehensive, high quality protection available to you at affordable prices. Carnival provides you with peace of mind because unfortunately, the unexpected does sometimes occur. If you choose not to purchase insurance, Carnival's liability is limited to baggage, contents, and personal possessions to a **maximum** of $100 per adult guest. Carnival cannot accept liability for loss or theft of money, jewelry or other valuables kept in the stateroom. For your convenience, all ships have in-stateroom safes. Keys are available from your room steward. For storage of larger valuables, there is also a limited supply of safety deposit boxes at the Information Desk at no charge. We highly recommend you personally carry with you when leaving the ship any valuables, medication, breakable items, and other carry-on items, including video cameras.

CONDITIONS OF CONTRACT

If you look at the cover of your ticket booklet, you will see an "Important Notice to Guests." This notice directs your attention to the terms and conditions of your contract. It is important to read this and become acquainted with the specific conditions and limitations of your passage.

Carnival reserves the right to cancel or substitute any scheduled port of call at any time and for any reason whatsoever without prior notice, and shall not be liable for any loss to guests by reason of such cancellation or substitution.

DO I NEED A VACCINATION?

No.

PASSPORT DATA

The new U.S. security procedures require all airline passengers 18 years or older to present official photo I.D. upon check-in at the airport. U.S Immigration determines the correct documents guests must have in their possession in order to travel. **Proper travel documentation is required throughout the cruise and is the responsibility of the guest. Any guest traveling without proper documentation will not be allowed to board the vessel, and no refund of the cruise fare will be issued.** Documents must be presented at the time of embarkation. All non-U.S. citizens must surrender their passports and/or green cards, and these documents will be returned at Immigration upon arrival back into the United States. U.S. and Canadian citizens need proof of citizenship (passport, birth certificate, or copy of birth certificate with raised seal) and a photo I.D. Resident aliens need both a passport and a valid, unexpired U.S. multiple re-entry visa. Aliens eligible to apply for admission under the Visa Waiver Pilot Program must have valid, unexpired passport. Resident aliens and aliens must contact the appropriate consulate, U.S. Embassy, or U.S. Immigration office to inquire about necessary travel documentation. To debark for more than 24 hours in Mexico, guests must have obtained a Mexican Tourist Card from either a travel agent or a Mexican Consulate prior to their departure, and if debarking with children, must have a notarized affidavit from any absent parent indicating permission to travel with the accompanying adult.

CARNIVAL'S TRAVEL HOTLINE

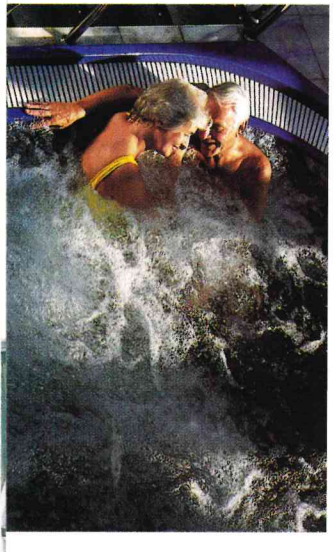
If you're on your way to your "Fun Ship." cruise and experience an emergency such as a delayed flight, give us a call at (877) TVL-HTLN (877-885-4856) or (305) 406-4779. We've created this special travel hotline for the exclusive use of our guests. Carnival representatives are on call to assist you with any travel emergency, 24 hours a day.

When Do We Sail and From Where?

Embarkation Hours and Pier Locations

Embarkation begins as follows: Miami, Galveston, Tampa, Port Canaveral, New Orleans, New York, and Los Angeles – 1:30 p.m.; San Juan – 2:30 p.m.; Honolulu – 1:00 p.m.; Ensenada – 6:00 p.m. (complimentary motorcoach transportation is provided from the San Diego and Los Angeles airports, with embarkation aboard ship); San Diego (Panama Canal) departure – 1:30 p.m. **You must check in at least 30 minutes prior to departure.**

The piers can be reached by cab from hotels, airports, bus terminals, and railroad stations. **Guests are responsible for identifying their own baggage and ensuring luggage is on the transport carrier.** Fly Aweigh guests are escorted from the airport to the pier along with their luggage. Guests who do not purchase Carnival's Fly Aweigh program have the option of purchasing airport/pier one-way or round-trip transfers for the day of embarkation and debarkation. This service is only available during normal operating hours. Guests who do not purchase Carnival's Fly Aweigh program and do not purchase transfers are responsible for all transportation to and from the pier. Advance reservations are required 14 days prior to sailing. Please contact your travel agent for details.



Curbside porters are available at the pier during embarkation to take luggage to the vessel for delivery by shipboard personnel to your stateroom. Please be sure each piece of luggage is locked and has a tag listing your name, ship, and stateroom number. Customary tip is $1.00 a bag. Curbside porters are not employees of Carnival; therefore, if you choose to have your luggage transported by curbside porters, any problems resulting there from should be directed to the contracted company. Carnival

assumes no responsibility for carry-on baggage. For security reasons, only small-sized hand luggage (meaning 11x17 or less) can be hand-carried onboard. Luggage larger than the specified dimensions will not fit through our metal detectors and will be turned away at security point. We highly recommend that guests *personally carry* any valuables, medication, breakable items, and boarding documentation (passports, visas, I.D.'s) on and off the vessel. Any luggage left at the pier will be forwarded at your expense. Claims for luggage loss or damage must be made in writing to the embarkation personnel prior to leaving the pier area.

WHERE TO LEAVE YOUR CAR

Secured outdoor parking facilities are available at each port of embarkation. Parking fees vary by port (average $10 per day), and are payable to the parking attendant. Parking facilities are owned and operated by the port authorities.

SEAVIEW BISTRO

We are pleased to offer a more casual dinner alternative to the ships' main dining rooms – the Seaview Bistro. The attire is casual and the meals are served bistro-style (waiters are on hand to provide any service you may need). The bistros operate from 6 to 9:00 p.m. daily and offer an array of pastas, steaks, prime rib, grilled chicken, specialty salads, and desserts, along with a daily chef's special.

SUPPER CLUBS

On the CARNIVAL SPIRIT and CARNIVAL PRIDE, you can dine in the world of award-winning chefs, extraordinary cuisine, and fine service. Located in the uppermost level of our glass-enclosed atriums, these reservations-only supper clubs offer a wide range of USDA prime-beef dishes, as well as seafood and specialty dishes. (A nominal fee will apply.)

24-HOUR PIZZERIA

For added convenience aboard our ships, we also offer a Pizzeria that is open 24 hours! Any time of day or night, you can order oven-fresh pizzas with your choice of toppings – not only such favorites as pepperoni, mushrooms, peppers, and onions, but gourmet selections like wild mushrooms and goat cheese. The pizzerias also serve a crisp, freshly tossed Caesar salad.

NAUTICA SPA® FARE

Nautica Spa selections are available on every "Fun Ship" for our health- and cholesterol-conscious cruisers. Carefully prepared and identified on each menu, these entrees are a delicious alternative in low-calorie fine dining.

MIDNIGHT BUFFET

Just past midnight, there's an incredible buffet. You'll enjoy a fantastic array of salads, cold meats, bread and rolls, hot entrees, desserts, cheeses, and fruit.

STATEROOM SERVICE

A selection of sandwiches, beverages, desserts, and fruits are available around the clock – just in case you get hungry between meals. Stateroom sevice is complimentary.

WINES

You may wish to complement your meal with a fine vintage from the ship's collection. Should you desire a bit of "bubbly" or any other type of wine, just ask for our extensive wine list featuring many fine wines at moderate prices. Who knows, you may even become a connoisseur on your cruise.

SPECIAL DIETS

Advise your travel agent of any special diet requirement at the time of booking (at least two weeks prior to sailing). We will do our best to meet your requirements. However, there may be limitations in our ability to do so. Please reconfirm this request with your waiter at your first meal. Kosher meals are not available.

SPECIAL FOOD AND BEVERAGE SERVICE

If you'd like to host a party during your cruise, we can make all the arrangements, whether it's a birthday, anniversary, Bon Voyage send-off, or just a little get-together for your newly made friends. We can even decorate your stateroom for that special occasion. For arrangements on board, please contact the Information Desk.

YOUR STATEROOM STEWARD

The good life begins with your Stateroom Steward. One is assigned to each stateroom and he will be at your service for your entire voyage. He'll take care of everything you need from A to Z, and even turn down your bed at night. If there is anything else you need, please contact Room Service or the Information Desk.

CRUISE DIRECTOR AND STAFF

Your Cruise Director and staff are on board to see to your pleasure and entertainment. They'll provide a whole world of fun things to do, with everything from early morning deck activities to late-night shows. In between there are briefings on the various ports of call, card games, shuffleboard, Ping-Pong, bingo, deck games, dancing, disco, the full casino, movies and, of course, the nightclub shows each evening at sea. If there's anything the staff has missed, just ask them about it...but you may have a little trouble finding anything they've overlooked. Also, please refer to your *Carnival Capers* for a complete listing of all activities. The activities are sensational!

THINGS TO DO. PLACES TO GO.

CARNIVAL CAPERS™

Carnival Capers is the name of our shipboard newspaper. It's delivered to your stateroom every evening before you retire, and includes a listing of the next day's program of entertainment and activities. It won't take you long to discover when everything's happening and what interests you the most.

DUTY-FREE SHOPS AND BOUTIQUES ON BOARD

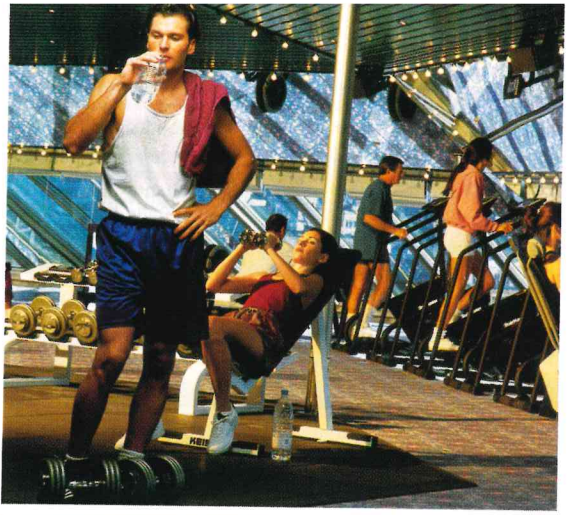
When shopping on board, let temptation be your guide. All the goods for sale are duty-free, less expensive than they would be at home. But remember, our shops must be closed while we're in port, so if there's anything you just have to have, you'd better get it before we dock. **Liquor purchases from our gift shops will be delivered on the last night of the cruise.**

CARNIVAL CRUISE LINES' SHORE SIDE RECOMMENDED SHOPPING PROGRAM

A "Fun Ship.℠" cruise vacation would not be complete without experiencing some of the world's best duty-free shopping. Carnival's Guaranteed Shopping Program has been designed to assist you in finding the finest treasures in the ports of call at savings of 20-60% below U.S. prices. Each recommended merchant has been selected on the basis of price, selection, reputation, quality, service and a commitment to shopping satisfaction. Therefore you can shop with confidence knowing The Most Popular Cruise Line in the World!® stands behind your purchases on jewelry, watches, liquor, electronics, fragrances, leather, china, crystal and more.

Check your *Carnival Capers* for location and times of the Cruise Director's live Port & Shopping Talk highlighting tours, port facts, the shopping guarantee, store locations, this week's specials, raffles, giveaways, and more. Important Customs information, shopping maps and discount coupons will be provided at the talk.

For additional shopping information, tune in *Shopping Treasures in Paradise* on your in-stateroom TV and enjoy *Gateways* magazine located in your stateroom.



INFORMATION DESK

If you have any questions that can't be easily answered, the best place to go is the Information Desk. A Purser is available to answer any question you may have and to assist in any financial transaction 24 hours a day.

BEAUTY SALON AND BARBER SHOP

A professionally operated beauty salon and barber shop is located on board. Hours are posted at the shop and in your *Carnival Capers.* Appointments should be made early during your cruise.

NAUTICA SPA® PROGRAM

Here's your chance to relax in style. Experience a refreshing sauna and an invigorating massage. The massage is available at a charge, but the sauna is free. Use of the exercise equipment in the gym is also free. Please consult with the trained instructors before using the equipment.

Please note that guests under 16 are not permitted in these facilities. Guests between the ages of 16 and 18 must be accompanied by an adult at all times.

EXERCISE CLASS

Feel like exercising on deck in the early morning air? Be our guest. Special exercise classes are offered every morning we're at sea. They're free of charge and just might help you work off the extra desserts you had the night before.

OPTIONAL DECK GAMES

Deck games are always optional, of course. You can do what you want, when you want on the "Fun Ships." There are lots of planned activities and games to entertain you. You can do it all – or nothing at all. It's your vacation!

CASINO AND MEGACASH™

Ever thought about winning enough money to pay for your cruise? Here's your chance. Every "Fun Ship" casino features slot machines, blackjack, roulette, Caribbean stud poker, a Wheel of Fortune, and MegaCash, the world's largest cruise ship jackpot. If you would like to learn how to play any of these games, our casino staff offers lessons early in each cruise.

Please note that guests under 18 are not permitted in these facilities.

BINGO

Is this kind of gambling more to your taste? If it is, we can make you happy. A small charge for bingo cards may win you hundreds of dollars or even a free cruise! Keep your eyes peeled for the exact time and place in *Carnival Capers.*

CAMP CARNIVAL® PROGRAM

Carnival's supervised children's activity program features four age categories: Toddlers (2-5 years), Juniors (6-8 years), Intermediates (9-12 years) and Teens (13-15 years). Our specially trained Camp Counselors are qualified to ensure the safety and happiness of your children. Camp Carnival's complimentary activities are available on sea days from 9:00 a.m. to 10:00 p.m. and on port days from port arrival to 10:00 p.m. Children enjoy a wide variety of activities geared toward their age group. Camp Carnival® is offered year-round on every "Fun Ship" sailing.

SWIMMING POOLS

There are lots of swimming pools on the "Fun Ships." You can take a dip, or just lie beside the water and bask in the sun. If you have small children, they can play in the wading pool. Lifeguards are not on duty, so be careful. Please use the ladder getting in and out of the pools. Our pools are not designed for diving.

GALLEY TOURS

This is an interesting, behind-the-scenes look at the preparation of some of your meals and snacks. Check *Carnival Capers* for the day and time of your galley tour.

THINGS TO KNOW

MINOR GUESTS

Guests under the age of 21 years must be accompanied by a parent, grandparent or guardian 25 years of age or older in the same stateroom. Infants must be at least four months old to be eligible to travel.

WHAT ABOUT TOWELS?

Towels are supplied on deck by the pool, so please don't bring any up from your stateroom. Beach towels are available in your stateroom for use in port and are also available for purchase. They make a great souvenir!

WILL I GET SEASICK?

Seasickness is very rare on ships as large as ours. All our ships are equipped with stabilizers that are designed to keep them smooth and steady in the water. If you should feel queasy, medicine is available from your stateroom steward, the Information Desk or the doctor.

MEDICAL SERVICES

Should you require medical attention while onboard, our infirmary staff are available to assist you 24 hours a day. A doctor is available to render services at a customary charge. Our infirmaries are capable of providing treatment for the minor matters which may arise during your cruise. Should you require treatment for a serious condition which requires hospitalization then arrangements will be made to transfer you to a medical facility ashore. While at sea the ability to transfer you to a shore side facility may be limited or delayed by weather or logistical considerations. We strongly recommend that you purchase the Carnival Cruise Vacation Protection Plan℠ as it provides for reimbursement of unexpected medical expenses up to plan limits. If you are currently suffering from a serious medical condition please consult with your personal physician prior to sailing. **Our Doctors are independent contractors.**

If you should come down with a contagious disease, or even suspect a contagious disease, it's compulsory that you report it to the ship's doctor for the safety of everyone on board. Should you be on any medication, or want the medical staff to be aware of any special needs, please contact our infirmary. This will ensure they will be prepared should you need assistance.

MEDICATIONS

Please carry your required medication in your pocket or purse so that it will be available when needed. Checked luggage may not be accessible at all times.

If you're using any prescription drugs, vitamins or other medication on a regular basis, you should bring an adequate supply with you since these may not be readily available either aboard ship or in our ports of call. Commonly used medications may be purchased at the office of the ship's doctor.

WHAT ABOUT ELECTRICAL APPLIANCES?

Bring them with you by all means. Aboard all the "Fun Ships" the current in the staterooms is 110 volts AC and is capable of handling all normal appliances such as electric razors, hair dryers, and hot curlers. However, some appliances may require use of an adapter.

ARE THERE BABY-SITTERS?

Baby-sitting for children 12 years old and under is available from 10:00 p.m. to 3:00 a.m. every evening in the Children's Playroom, supervised by our specially trained Camp Carnival Youth Counselors. Baby-sitting is offered in the form of a Pajama Party, and pillows, blankets, and cribs are provided. The cost is $6 per hour for the first child in the family and $4 per hour for each additional sibling. In addition to our evening baby-sitting services, we also offer morning care for children under the age of 2 on port days, from port arrival time until noon, for the same charge.

WHERE IS THE LOST AND FOUND?

The Lost and Found is located at the Information Desk. If you've lost anything, you should report the item to the Information Desk and ask if it's turned up yet. If you find anything, please turn it in there. After the ship returns to your port of origin, all found and unclaimed articles will be sent to the company headquarters in Miami, where they can be claimed.

TIPPING

How much you tip is purely a personal matter and completely up to you. However, we do have many guests who ask for some guidelines in regard to what is appropriate. We suggest the following gratuities for general information only. Gratuities are customarily given the last evening of your cruise. If you have any further questions, the Purser or Cruise Director will be glad to help you.

Room Steward:	$3.50 per guest per day
Dining Room Team Service:	$5.50 per guest per day
Alternative Dining Service:	$0.75 per guest per day

Other personnel, such as Bar and Room Service staff, may be tipped as service is rendered. 15% of the bill is automatically added to Sail & Sign beverage purchases which you may adjust appropriately. Tipping your Maitre d' is at your discretion, based upon the service you received.

PHOTOGRAPHIC EXPERIENCES

Remember to keep smiling. You never know when the Ship's Photographer may take a candid picture of you. On formal nights, you can have a professional portrait taken of you and your loved ones. The photos will be on display and are available for purchase. Special photo requests can be made by appointment and are available for a fee. If you like taking your own pictures, film and cameras are on sale in the duty-free shop. One-day developing service is available on board ship. See the Photo Gallery Office for details.

BIRTHDAYS AND ANNIVERSARIES

If you're going to celebrate a birthday or wedding anniversary during your cruise, please inform the Maitre d'.

RELIGIOUS SERVICES

When available, a chaplain will be on board for Christmas, Palm Sunday, and Easter services.

LIQUOR POLICY

We are sorry, but guests are prohibited from bringing alcoholic beverages of any kind on board the ship for consumption. Alcoholic beverages purchased in the ships' gift shops or in foreign ports will be retained by Carnival until the end of the voyage. However, if you will be celebrating a special occasion while on board, fine wine or champagne may be brought aboard during embarkation at the beginning of the cruise only. A $10 per bottle corkage fee will be charged should you wish to consume this wine in the dining rooms. Of course, you may also purchase mixed drinks and other beverages from any of the ships' bars and lounges. Alcoholic beverages will not be sold or served to anyone under the age of 21. We reserve the right to refuse the sale of alcoholic beverages to anyone.

WHAT TO DO WITH YOUR VALUABLES?

We're sure you'll want to bring your camera, jewelry, and other valuable items with you on your cruise. However, since the ship cannot accept responsibility for any articles left in the stateroom or public areas or packed in your luggage, we suggest the use of a safety deposit box or stateroom safe. For your convenience and protection, safety deposit boxes are available at the Information Desk.

CAN I BRING A RADIO ON BOARD?

You are welcome to bring radios and cassette players for your private enjoyment. However, for the comfort of other guests, we request that headphones or earpieces be used in public areas.

Communicating with the Outside World

On our ships you can easily call friends and family from the comfort of your stateroom. Or, if someone at home needs to reach you, they can call you!

CAN I MAKE AND RECEIVE TELEPHONE CALLS?

You can direct dial your family and friends via satellite from the comfort of your stateroom at any time during your cruise. Additional information, instructions, and charges are found in the ship's directory in your stateroom. Please note that since communications at sea are via satellite, guests cannot use calling cards or credit cards, nor dial collect. Your friends and family can also call you via Maritime Telecommunications Network's (MTN) Shore-to-ship Telephone Service by calling 1-877-CCLSHIP (1-877-225-7447) or 1-732-335-3284.

WHERE CAN I MAIL A LETTER?

That's easy enough. Just leave your letters and postcards at the Information Desk. You'll also find local stamps on sale there. The postal regulations of the various ports require that you use their stamps when mailing a letter from that port.

CAN I SEND AND RECEIVE E-MAIL?

We now have a fast and easy way to stay in contact with your loved ones back home, check your stocks, or send a 10- to 15-second Video mail. You even have your very own CruiseE-mail™ address whether you already have a web-based e-mail address or not. The Internet Cafés open 24 hours with a manager on hand during posted periods. Remember to bring your address book and your own e-mail domain password.

GOING ASHORE

SHORE EXCURSIONS

Going ashore is half the fun of going on a cruise. And we have some optional tours at every port that are bound to intrigue you and offer a little something different in the way of excitement. But you don't have to take one of the optional tours. You can go ashore and discover everything for yourself. Or, you can just stay on board. What you do is entirely up to you.

Before we dock at each port of call, there'll be a brief lecture to familiarize you with the port, its highlights and the cost, and itineraries of the various shore excursions offered. These optional shore tours are available for purchase aboard the vessel. Please bring your completed order form (available on board) to the Information Desk or give it to the Cruise Staff at the completion of the "Travel Talk." On select vessels, you will be able to order your shore tours directly through your in-cabin "Fun Vision." system.

The optional tours are operated by independent contractors. Carnival is not responsible for their actions. In addition, Carnival is not responsible for any losses, injuries or claims arising from any activities engaged in by guests while ashore at any port of call, including shore excursions, whether the excursions are sold on board the vessel or ashore by third parties. **Guests engage in all activities off the vessel at their own risk.**

BOARDING CARD

Your Sail & Sign Card will serve as your Boarding Card. This card identifies you as a Carnival guest and must be carried with you along with picture identification when you go ashore. Since the ship is closed to the public while docked at the various ports of call, you'll have to show your Sail & Sign Card and picture I.D. to the officer on duty in order to return on board.

WILL I HAVE ANY PROBLEMS WITH MONEY ASHORE?

U.S. currency and traveler's checks are accepted at most ports of call we visit. Store owners will honor most credit cards, but personal checks aren't usually accepted.

CAN I USE THE SHIP IN PORT?

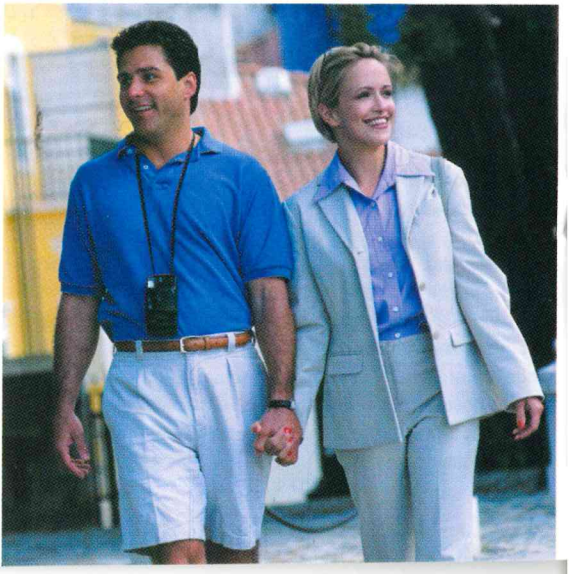
Yes, by all means. While in port, your ship is still your home, and you should feel free to leave or return any time of day or night. Think of it as your home away from home.

LANGUAGE IS NO BARRIER

You won't encounter any language problems. Almost everyone speaks English, even if it is with a slightly different accent.

HOSPITALITY

Residents of our ports of call are friendly people, anxious to serve you. They recognize the importance of tourism to their economy, and do their best to make you feel welcome.



COMING HOME

MAKING CUSTOMS EASY

Customs is rarely the ordeal many people imagine it will be. In fact, it's usually a brief but formal check of luggage and declared merchandise. If you keep everything in perspective you can help make it all very easy. Just remember that Customs Inspectors are there to protect us from smugglers and illegal imports – not to harass happy travelers. Everyone and everything must clear Customs. Your cooperation will make it easier for everyone involved.

CLAIMING YOUR LUGGAGE

Claiming your luggage has been simplified by color coding your baggage tags. If your bag has been given a green tag, you simply go to the area where green tagged luggage is being claimed. Easy? You bet! When you get a lot of bags together it's easy to make a mistake and pick up the wrong bag. So, check and make sure that your name is on your bag and you've picked up the right one.

If your luggage is left at the pier, it will be forwarded to you at your expense. Claims for lost or damaged luggage must be made in writing with our debarkation personnel before you leave the pier area.

WHAT DO I HAVE TO FILL OUT?

Part of going through Customs consists of declaring merchandise you've purchased abroad and are bringing back into the country. You'll fill out your Customs Declaration Form while on board and present it to the Customs Inspector when actually going through Customs. The instructions on the form should be self-explanatory. However, you'll also find a thorough explanation of Customs procedures and debarkation procedures in *Carnival Capers* on the last evening of your cruise. Your Cruise Director will also provide a debarkation briefing prior to the last day of your cruise. If you have any questions, please ask him. He's there to offer any assistance you may need.

WHAT DO I HAVE TO DECLARE?

You must declare all merchandise you've purchased or acquired abroad and are bringing back into the United States or Canada. That includes items you've purchased in "duty-free" shops and in port, as well as items you've received as gifts. It also includes items you have begun to use or are wearing. However, it doesn't include items that have been sent back from Mexico, the Cayman Islands or Canada, which will be assessed a duty when they enter the country. Items sent back from other countries must be declared, and a Customs Form 255 filled out upon your return to the United States.

WHAT IS MY DUTY-FREE ALLOWANCE? (FOREIGN PURCHASES)

For cruises that call at any of the U.S. Virgin Islands, U.S. residents are permitted up to $1,200 (retail) of duty-free purchases, including five liters of liquor per adult, of which at least one must be a product of the U.S. Virgin Islands. Of the $1,200, no more than $600, including one liter of liquor, one carton of cigarettes and 100 cigars (non-Cuban), may be purchased in other ports or on board. U.S. residents sailing along the west coast and on cruises from New York are allowed up to $400 (retail), including one liter of liquor, one carton of cigarettes, and 100 cigars (non-Cuban) per adult. For all other ships, U.S. residents are allowed up to $600 (retail), including two liters of liquor per adult, depending on the port of purchase. Other restrictions may apply. Specific information will be provided aboard ship. Non-U.S. residents must comply with customs laws in their country. Check with Customs for guidelines on current requirements.

IMPORTANT INFORMATION

SAFETY PRECAUTIONS

Fire is especially dangerous at sea. For this reason, we ask that everyone adhere to the following safety rules. Please don't smoke in bed. And don't throw lighted cigarettes, cigar butts or matches overboard. They can easily start a fire by slipping through an open portal or doorway. For your convenience, we've placed ashtrays in various locations throughout the ship.

While you are getting used to the layout of the ship, please take care in doorways, thresholds, and stairs, and watch your step. Please use handrails and grab bars.

In the stateroom, we recommend that you keep the floor clear of obstructions. It's a good idea to leave a light on at night (such as the one in the bathroom) so when you awake you can see the stateroom clearly.

For everyone's safety, we ask that you don't run through the ship, and take extra care on wet decks. Children are especially

requested not to run or play on the stairways. When entering or leaving a room, be careful with the doorsills. They take a bit of getting used to. You'll find a ladder in your cabin to get in and out of the upper berths. When you use it though, make sure it is firmly secured. Your Room Steward will be happy to assist you. You'll also find safety hooks on some of the furniture, which we ask you not to remove.

EMERGENCY DRILLS

Prior to sailing everyone will go through a Safety Drill. If at any time you hear the emergency signal, don your life preserver and go to your "Muster Station." You'll find the location of your station by reading the instructions posted in your cabin. The Captain and his officers will direct you once you have reached your Muster Station. Remember, these safety drills are performed in the interest of guest safety. They're conducted in accordance with the rules of the International Convention for Safety of Life at Sea, signed in London in 1948. All Carnival ships meet international safety standards for new ships developed in 1960 and meet the latest fire safety requirements.

LIFE JACKETS

Life jackets are for everyone. Make sure that there are sufficient life jackets in your stateroom at embarkation time. If there aren't, speak to your Room Steward, who will locate them and show you how to wear them. Children's life jackets are available for our younger guests upon request.

SHIP'S PLUMBING

All guests are requested not to throw extraneous objects into the wash basins or toilets. The drain pipes are apt to become clogged, and repairs are impossible while the ship is at sea or in most foreign ports. Please use the wastebaskets and receptacles found in all the bathrooms.

AIRLINE DELAYS

Experienced travelers know that air travel schedules can be affected by a number of factors. Should your flight arrive at your ship's home port after the ship's scheduled sailing time due to weather, mechanical problems or the like, contact Carnival at (800) 327-9501 and/or a supervisor at the airline's ticket counter for assistance in securing hotel accommodations and flight arrangements to your ship's next destination. If the airline is unable to secure hotel accommodations, the following hotels will offer a preferential rate. Please call prior to arrival at the hotel for reservations and identify yourself as a Carnival guest.
